

The vision of the Australian Road Transport Heritage Centre (ARTHC) is to establish an iconic national transport museum for the collection and upkeep of vintage vehicles, items and artifacts for display to the public, preserving the history and heritage of Australians road transport history and associated interests from Cobb & Co to the present day.

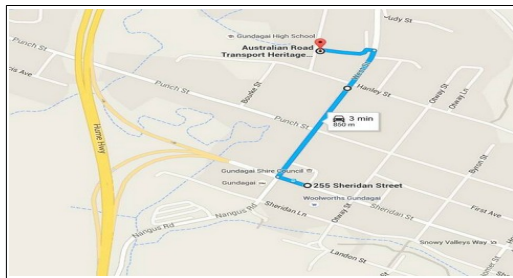

Our Museum is at 1 Jack Moses Avenue, less than 1km from the local Information Centre, it is setup to allow for viewing, storage and maintenance of the equipment we have collected and received over the years (including many members equipment). The museum has assisted us in our endeavors to raise money for this purpose and help us in expanding it.

Together this Museum site and our Fundraising events has allowed us to move forward and keep going, we now in the stages of purchasing the site outright, we are also still looking for a site in the Gundagai area to build a larger museum for our needs.

1 Jack Moses Avenue

(Note: Street sign marked Street not Avenue)

Map Sheridan Street (Main Street) to 1 Jack Moses Ave

The ARTHC present membership is over 150, so if you have an interest in preserving Australian Transport History, your membership to the ARTHC would be appreciated.

Form's can be found on our Website.

We fundraise throughout the year however our major fundraising events are held last Saturday in February and on the June long weekend each year.

February is our Tractor Pull and Swap meet it also includes a Truck show & shine, and many other displays, there is also some kids amusements too, this show is designed for the whole family.

June long weekend we have host a Saturday Night Dinner & Auction and on Sunday a Recovery Breakfast followed by a convoy of vehicles through the infamous "Sylvia's Gap" section of the old Hume Highway, the weekend finishes on the return of the convoy with a great morning tea/brunch and other events.

Please mark the last Saturday in February & the June long weekend in your diary and we look forward to seeing you there, dates can be seen on our website listed below.

Our website is:

www.arthc.com.au
